

Planning Your Wedding

Three –Four Months Prior

Work with Michael Francis' Bridal Manager to schedule appointments for you and your bridal party. We suggest beginning a facial treatment program at this time. Consult with our esthetician for a program that is right for your skin type.

2 Months Prior

You'll be showing off your wedding ring so make your hands look their best. Schedule manicures every two weeks.

One Month Prior

Schedule an appointment for a trial run of your Updo hairstyle and makeup application. Be sure to bring your headpiece or other hair decorations so the stylist can create that elegant look just for you.

One Week Prior

It's time to schedule some of your final appointments!

Pedicure ~ Manicure ~ Waxing ~ Groom's
Haircut ~ Refresh hair color and foils

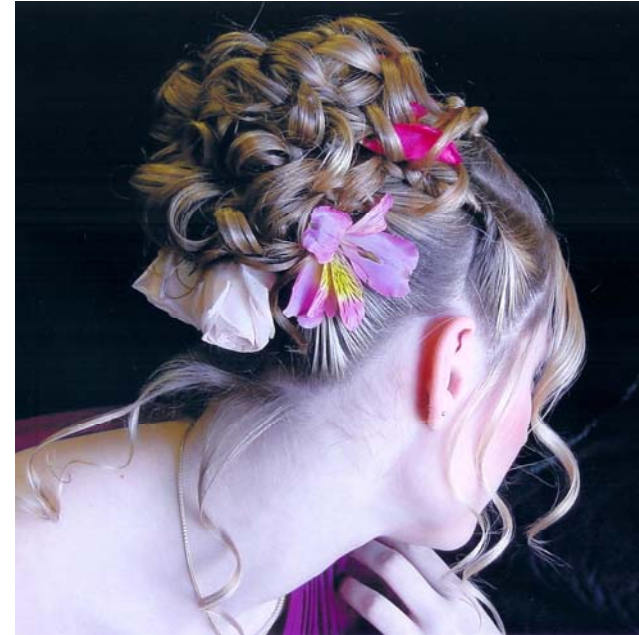

Your Wedding Day

You and your bridal party should arrive a few minutes early for your scheduled appointment. Make sure to wear a button-down shirt so you can easily change clothes without messing up your hair and makeup. Bring your headpiece or other decorations that will be used to adorn your hair. Then, relax and let Michael Francis help make your special day memorable. Photographers are welcome!
